on
Guidelines for Conducting Teaching in the 2nd Semester of Academic Year 2021
During Coronavirus Disease (COVID-19) Outbreak Situation

According to the reports by the Center for COVID-19 Situation Administration and Ministry of Public Health regarding the new wave outbreak of Coronavirus Disease (COVID-19) situation in many areas, and some students probably transport/travel to their hometown in many provinces which located in high risk areas.

In order to conduct teaching in the 2nd semester in academic year 2021 effectively and to reduce the risk of the spread of Coronavirus Disease (COVID-19), the university committee meeting No. 11/2021 dated on 12th October 2021 agrees to announce the Guidelines for Conducting Teaching in the 2nd Semester of Academic Year 2021 During Coronavirus Disease (COVID-19) Outbreak Situation as follows:

1. To conduct teaching in the form of online in all courses from 1st November 2021 – 30th December 2021 by covering contents, competency, and learning outcome of each course as follows:
 - 1.1 For lecture courses, lecturers can choose to use tools/programs supporting learning online for motivating students' learning appropriately.
 - 1.2 For laboratory courses, lecturers can change/modify to other substitute teaching format as appropriate or postpone lab teaching after second half of the semester.
 - 1.3 For internship/cooperative education training courses, it is required to be conducted as follows:
 - 1.3.1 To adjust the teaching form to other forms as appropriate.
 - 1.3.2 In case that the entrepreneurs are well-prepared and have measures for prevention and control the spread of Coronavirus Disease (COVID-19), faculties/colleges might consider sending students for the internship/cooperative education training by require students to inform their intention in writing as the informed consent or the willingness to practice form for internship/cooperative education training at that company.
 - 1.3.3 To postpone internship/cooperative education training by considering changing study plan as appropriate.

2. Lecturers can consider the form of online teaching as follows:
 - 2.1 Live teaching platform, allowing interaction among teachers and students by using Microsoft Teams by downloading the manual via <http://www.lms.cmru.ac.th/> and select the topic “download manual and related documents”.
 - 2.2 Online Virtual Classroom by using Google Classroom for checking student attendance, assigning assignment, sharing data for teaching and lecturing, and related documents for students.
 - 2.3 Self-study can be done by students via E-learning lesson or additional study from video clips or review contents or do exercises as assigned in learning management system (LMS) by CMRU Moodle LMS program.
3. Mid-term examination in the 2nd semester of academic year 2021, and the mid-term and final examination of the 1st semester of academic year 2021 of International College, lecturers can consider modifying the form of learning measurement and assessment, form of assignment, or reports as substitution to administration of examination in classroom. Lecturers are required to inform students in the first day of class regarding the form of learning measurement and assessment.
4. In case of Comprehensive examination/qualifying examination or concept paper/thesis/independent study defense examination in graduate programs, online platform or integrated online meeting system can be practiced.

This announcement was made for conducting teaching and examination of Chiang Mai Rajabhat University educational administration in Chiang Mai province area.

Please kindly be informed and follow accordingly until further notice.

Announced on 12th October 2021

(Assoc. Prof. Dr. Chatree Maneekosol)

Acting President of Chiang Mai Rajabhat University
